ELECTED GOVERNORS, SENATORS AND MEMBERS OF COUNTY ASSEMBLY

On this auspicious National occasion of inauguration of Governors, the Chairman Intergovernmental Relations Technical Committee (IGRTC) Mr. Kithinji Kiragu on behalf of board Members and the Technical staff, wish to congratulate all Governors, Senators, Members of National Assembly, County Women Representative MP, and Members of County Assembly elected on 9/8/2022.

IGRTC, being the Secretariat of the National Coordinating Summit, and the Council of Governors offers its message of Congratulations to the **45 Governors being sworn into office**. In particular, we wish to congratulate the seven female Governors of Kwale, Kirinyaga, Homabay, Nakuru, Meru, Embu and Machakos. This is more than double of the three female Governors voted into office of Governor in 2017. It demonstrates Kenyans' acknowledgement and appreciation of the leadership, capacity and

Kithinji Kiragu OGW, MBS
The Chairman Intergovernmental Technical Relations Committee (IGRTC)

competences of our female leaders as they continue to entrust them with leaderships in all spheres of service delivery.

IGRTC has also noted that eight pioneer Governors of Lamu, Laikipia, West Pokot, Bungoma, Wajir, Garissa, Baringo, and Kitui have

made a comeback while ten serving Governors have retained their seats after being voted back into office. This demonstrates the confidence their respective county citizens have in their leadership, service delivery, devolution transformative agenda and development of their counties. Two term Deputy Governors of Kwale and Elgeyo Marakwet have made it to become Governors of their counties.

Kenyans have also voted in a total of new **28 new Governors** from diverse, rich backgrounds and fields of expertise. We welcome them to the Devolution family.

IGRTC also offers messages of Congratulation to the MPs-Elect both in the National Assembly and the Senate. Parliament is critical in the success of Devolution and we count on the incoming 13th Parliament to continue on the building blocks of full implementation of 2010 constitution in helping to deepen, consolidate and accelerate the successes of devolution

especially in functions execution for better service delivery and dividends to Kenyan Citizenry.

The Senate is the defender of Devolution and it's oversight role to County Governments has been demonstrated before. IGRTC looks forward to working closely with respective National Assembly and Senate Committees in executing the devolution agenda for this country through harmonious Intergovernmental Relations.

Out of the 1450 Elective Wards, a diverse, rich, knowledgeable and experienced Membership of County Assemblies have been voted into office to join their respective County Assemblies. IGRTC offers its message of Congratulations to all those who won Member of County Assembly Seats. Though a detailed analysis will follow, IGRTC wishes to commend Kenyans for voting into office leaderships that represent their will at the Ward level as demonstrated by the MCAs

who comprise women, Persons with Disability and Men who espouse the aspirations and vision of the people they represent. It is noteworthy, that even Independent MCAs have been elected into office. This diversity of talent and backgrounds is healthy and will enrich the debates and the cardinal responsibilities of Representation, Legislation and Oversight of the County Assemblies.

We, IGRTC and the entire devolution fraternity, welcome into office all elected leaderships at the National and County Government levels and reiterate our commitment to work with the new leaderships to ensure efficient and effective service delivery as guided by our constitution and various legal statutes through consultation, cooperation and coordination.

Thank you. God bless Kenya.

Kithinji Kiragu OGW, MBS
Chairman IGRTC
25th August 2022
